To our baby Julian,

Congratulations on your graduation from Hyde! Wow! You've achieved another big step in your life. You've matured from a shy five-year-old boy into a brave, independent and determined young man.

We're very proud of you on all your achievements from sports teams to doing community services and, at the same time, maintaining your honor roll status.

You can do it! Only YOU can decide which road to take. There are many memories and challenges ahead of you. But we're always here for you. Enjoy your life and continue to carry out your dreams. Keep up the good works, and always put your best foot forward. We're looking forward to your graduation from Cupertino High. Remember: "You can achieve anything when you put your mind to it."
